Personal Life & Dreams

- Where do you see yourself living in 5 or 10 years?
- What is one new skill, language, or hobby you want to learn in the future?
- What are your travel goals for the next few years? What places do you want to visit?
- What kind of job or career do you want to have?

Technology & Science

- How do you think everyday technology (smartphones, AI, computers) will change in 20 years?
- How will transportation change? (e.g., flying cars, high-speed trains, self-driving vehicles)
- Will robots take over household chores, or even certain jobs?

It fascinates me.

It's fascinating.

The wonders of the world.
I want to see it / visit it/ see it
Kilt
The wall of China.
I lived there 12 years ago.
Good service / bad service
