

1. ABOUT MY COUNTRY/CITY/REGION

Write an **article** about your country/city/region, its population, customs, languages, industries and products, famous places and any other information you think might be interesting for visitors. Be realistic - this is not propaganda - and include one or two downsides ☺.

You can use:

"My country is + ADJECTIVE"

"My country has got + NOUN"

("In my country,) **there is** + SINGULAR NOUN"

("In my country,) **there are** + PLURAL NOUN"

2. MY FUTURE LIFE

Your teacher has asked you to write a description of your short-term and long-term **plans, hopes and ambitions** in both your personal life and in your career.

You should use future structures such as:

"I **hope to/ I'd like to/I might**" for your **hopes and ambitions**, "I'm **going to/I've decided to**" for your **plans** and the **present continuous** for **definite arrangements**
