About

Experienced, dedicated and inspirational leader with a positive **attitude/outlook** and **deep commitment**. I am **customer-oriented** with a commercial mindset, good business acumen **and** the ability to switch quickly between **strategic and operational perspectives**.

Leading is second nature to me/Leading comes naturally to me and this **is reflected in** my leadership philosophy **of encouraging inclusion and** participation. I am passionate about people development, building successful teams and **have** an excellent track record of delivering revenue growth.

My mission at XXXXX, is to enable people to move freely, meaningfully and sustainably. Together with my team we are **changing/transforming** the way people think about car ownership **to ensure/enable** a more sustainable future. One of my **driving forces/motivations** is to create smarter, healthier and more sustainable cities.
