

CHARACTERISTICS

Astrologists believe that the stars influence our character. In other words, when we were born determines the type of person we are.

Here are some of the various characteristics of the different signs of the zodiac.

AQUARIUS (Jan 20 – Feb 18)

Aquarians are **calm, open-minded and idealistic**, and they tend to **daydream**. They may seem **cold**.

PISCES (Feb 19 – March 20)

Pisceans are **shy, sensitive and sympathetic**. They are also **moody**.

ARIES (March 21 – April 20)

Arians are **energetic, stubborn, ambitious and honest**. They are sometimes **impulsive**.

TAURUS (April 21 – May 20)

Taureans are **steady, reliable, patient and careful**. They are also rather **materialistic**.

GEMINI (May 21 – June 20)

Geminians are **intellectual, ambitious and witty**. They tend to be **superficial** and **very moody**.

CANCER (June 21 – July 21)

Cancerians are **shy, sensitive, affectionate and home-loving**. They are rather **quick-tempered**.

LEO (July 22- Aug 21)

Leonians are **proud, self-confident, dominating and good at organizing**. They are also **generous**.

VIRGO (Aug 22 – Sept 22)

Virgoans are **perfectionists, reserved and very practical**. They don't have much **sense of humour**.

LIBRA (Sept 23 – Oct 22)

Librans are **charming, hard-working and careful**. They hate **laziness**.

SCORPIO (Oct 23 – Nov 22)

Scorpians are **serious, introverted, love success but hate failure**. If they fail, they may turn to drink or drugs.

SAGITTARIUS (Nov 23 – Dec 20)

Sagittarians are **cheerful extroverts, optimistic and imaginative**. They are usually **honest** but they can be **boastful**.

CAPRICORN (Dec 21 – Jan 19)

Capricorns are **careful, hard-working, considerate and pessimistic**. They worry about their reputation or career. They like security.
