The screenshot shows the ProProfs Quiz Maker interface. At the top, there is a navigation bar with the ProProfs logo, 'Create A Quiz', 'Take Quizzes', and a search bar. Below the navigation bar, the text 'Take Quizzes · Set 82 · Test' is visible. The main content area is titled 'Test' and 'Question 1 / 1'. It features a question with an image of pumpkin pudding: 'Äter japaner pumpkin puddings på Halloween?'. Below the question, there are two radio button options: 'A. True' (which is selected) and 'B. False'. A 'Next' button is located at the bottom of the question area.

This screenshot shows the same ProProfs Quiz Maker interface, but now displaying the correct answer. The text 'Your Answer: Correct' is shown in green at the top of the question area. Below this, the question and image are repeated: 'Äter japaner pumpkin puddings på Halloween?'. The 'A. True' option is now marked with a green checkmark and labeled '(Your Answer)'. The 'B. False' option remains unselected. The 'Next' button is still present at the bottom.

4) Skapa Multiple choice övningar.

This screenshot shows the ProProfs Quiz Maker interface during the question creation process. At the top, there is a 'Saved' status and buttons for 'Preview Quiz', 'Back', and 'Done'. The left sidebar is titled 'Question Types' and contains a list of question types: 'Multiple choice', 'Checkboxes', 'True / False', 'Fill in the blanks', 'Essay', 'Matching', 'Write Text', 'Document', and 'Video'. A red arrow points to the 'True / False' option. Below the sidebar, the 'Test' section shows the question being created: 'Äter japaner pumpkin puddings på Halloween?'. The question type is set to 'True / False', and the options 'True' and 'False' are visible.
